Metropolitan University of Somalia

Metropolitan University of Somalia is an innovative university founded with the premise to provide a world class education to students in Somalia and other Sub-Saharan African countries. We believe that we can change the trajectory of many lives by providing world class, theory based education to students in Somalia’s metropolitan areas.

Accreditation
Metropolitan University of Somalia is accredited by the Somali Commission on Institutions of Higher Education in Somalia. Accreditation of an institution of higher education by Commission indicates that the university meets or exceeds the criteria for the assessment of institutional quality periodically applied through a peer review process. An accredited college or university is one that has available the necessary resources to achieve its stated purposes through appropriate educational programs is substantially doing so and gives reasonable evidence that it will continue to do so in the foreseeable future. Metropolitan University is affiliated and collaborates in research projects with Harvard University, Department of African and African Studies. University of Massachusetts, Boston, Department of Conflict Resolution, Southern New Hampshire University and others.

Vision and Mission Statement
Metropolitan University is a dynamic, innovative learning community that supports all students in their education, leading to a career, and the pursuit of lifelong learning. Our commitment to our students is to equip them with professional and technical skills required to meet the challenges of the 21st Century.

Statement of Values
Commitment to Student Success
Metropolitan University of Somalia is committed to engaging students as active learners by providing a range of curricular and extra-curricular opportunities to explore, develop, and achieve educational and personal academic goals. We will provide affordable quality education that positions and supports students from all socio-economic backgrounds to achieve their academic and professional goals. It is our commitment that we prepare you for a career.

Commitment to Sustainability
The University values three spheres of sustainability: Economic, Peace, and Social justice. We demonstrate our commitment by striving to promote peace; making sustainability integral to our decision-making process; promoting social justice and preparing our students for the, social, and economic challenges of the 21st century.

Why was Metro established?
Metropolitan University of Somalia also called Metro was established to address the educational needs of the Somali students to meet social and economic challenges of the 21st century. Metropolitan University’s goal is to provide world class education, technical and professional skills that meet the needs of the students.
